

OLIVE JAN. 2015

Quick bites

As tried in the **olive** test kitchen this month

Albourne Estate's White Pinot Noir 2013, 11%, is beautifully rose gold in colour because it's made from the red pinot noir grape, despite being a white wine. There's a hint of fizz to it, strawberry overtones, and a clean finish. £12.95/75cl, albourneestate.co.uk
